

PATIENT SAFETY

Learning Track 16

RC

16RC1
Refresher
Course

Sunday, 4 June
08:30 – 09:15

Work hour restrictions, proliferating handovers: how much continuity does the patient need?

Room V

Chair:

Andrew Smith (Lancaster, United Kingdom)

Speaker

Andreas Böhmer (Cologne, Germany)

S

16S1
Symposium

Saturday, 3 June
14:00 – 15:30

Following up the Helsinki Declaration on Patient Safety in Anaesthesiology

Room E

Chairs:

Jannicke Mellin-Olsen (Sandvika, Norway)
Johannes Wacker (Zurich, Switzerland)

Welcome

Zeev Goldik (Haifa, Israel)*
Carmel Joseph Abela (Msida, Malta)

Aiming high – the Helsinki Declaration on Patient Safety in Anaesthesiology (HD)

Vision and goals

Jannicke Mellin-Olsen (Sandvika, Norway)

Practical requirements

Sven Staender (Männedorf, Switzerland)

Inconsistent progress – Boosts and barriers to adoption of the HD

Perspective of National Anaesthesiologists Societies

Dan Longrois (Paris, France)

Clinician's views – surveys of ESA members

David Whitaker (Manchester, United Kingdom)*

A project to evaluate and improve implementation

Johannes Wacker (Zurich, Switzerland)

Perspectives of Industry Partners – Panel Discussion

Fresenius-Kabi

Hrishikesh Kulkarni (Bad Homburg, Germany)*

Masimo

Stacey Orsat (Neuchatel, Switzerland)*

Philips

Holger Voderberg (Boeblingen, Germany)*

Nihon Kohden

Anke Brouwers (Rosbach, Germany)

Panel discussion and questions from the audience

S

1652
Symposium

Saturday, 3 June
17:00 – 18:30

Advancing the Helsinki Declaration by patient safety actions

Room 1

Chair:
David Whitaker (Manchester, United Kingdom)*

Learning from incidents to improve safety: national experience and European perspective
Daniel Arnal (Madrid, Spain)

Learn, do no harm! Establishing standards for simulation-based human factors training
Filippo Bressan (Prato, Italy)

Cognitive aids to improve safety outcomes – World Health Organization (WHO) surgical safety checklist and crisis manuals
Sven Staender (Männedorf, Switzerland)

S

1653
Symposium

Monday, 5 June
08:30 – 10:00

Quality cannot be improved if we don't measure it - new perspectives on old challenges

Room 5

Chair:
Frank Wappler (Cologne, Germany)

Quality, an illusion - or scientific base for real improvement?
Andrew Smith (Lancaster, United Kingdom)

Which indicators best describe the quality and safety of perioperative quality and safety?
Guy Haller (Geneva, Switzerland)

Potential and pitfalls of collecting quality data: From local practice to national registries
Johannes Wacker (Zurich, Switzerland)

S

1654
Symposium

Monday, 5 June
08:30 – 10:00

Inequities in access to safe anaesthesia and surgery – in Europe and beyond

Room E

Chair:
Jannicke Mellin-Olsen (Sandvika, Norway)

The Lancet Commission on Global Surgery – two years on
Eric Vreede (Dili, Timor-Leste)

What is the World Health Organization (WHO) doing to ensure access to safe anaesthesia and surgery worldwide
Walter Johnson (Geneva, Switzerland)

International Committee of the Red Cross (ICRC) – how to provide safe anaesthesia in unsafe corners of the world
Sanja Janjanin (Geneva, Switzerland)

S1655
SymposiumMonday, 5 June
14:00 – 15:30**When things go wrong...**

Room 2

**Chair:**
Frank Wappler (Cologne, Germany)**Safety concerns in postoperative pain treatment**
Filippo Bressan (Prato, Italy)**Patient safety in perioperative airway management**
Andrew Smith (Lancaster, United Kingdom)**Patient safety in intensive care**
Sven Staender (Männedorf, Switzerland)**S**1656
SymposiumMonday, 5 June
16:00 – 18:00**When things go wrong: recognising mistakes and improving services**

Room C

**Chair:**
Antoine Baumann (Le Kremlin-Bicêtre, France)**Duty of Care and Medical Negligence**
Claire McLaughlan (Stockbridge, United Kingdom)**Barriers to error communication**
Stuart McLennan (Hannover, Germany)**Using error reporting systems to drive improvement**
Aidan Fowler (Cardiff, United Kingdom)**Duty of Candour: saying sorry and learning from mistakes**
Michael Roddis (London, United Kingdom)**L**16L1
LectureSunday, 4 June
09:45 – 10:30**Individual complications, team spirit and the art of anaesthesiology. What defines outcome?**

Room X

Chair:
Johannes Wacker (Zurich, Switzerland)**Speaker**
Wolfgang F. Buhre (Maastricht, Netherlands)***L**16L2
LectureSunday, 4 June
11:00 – 11:45**Anaesthesia Patient Safety Foundation (APSF) safety practices in the era of production pressure and distractions**

Room 2

**Chair:**
Johannes Wacker (Zurich, Switzerland)**Speaker**
Robert K. Stoelting (Indianapolis, United States)
