How we can learn more from each other...
Symposium organised by the Hospital Visiting and Training Accreditation Programme (HVTAP) joint Committee formed by the European Society of Anaesthesiology (ESA) and the European Board of Anaesthesiology (EBA)

Chairs:
Ioana Grigorias (Iasi, Romania)
Benedikt Pannen (Dusseldorf, Germany)

How to build a network? Future perspectives for collaboration and exchange among certified training centres
Benedikt Pannen (Dusseldorf, Germany)

How to teach the teacher? The mentor qualification programme at the university of Helsinki
Leila Niemi-Murola (Helsinki, Finland)

How to give structured feedback to trainers and trainees?
Amaury Govaerts (Geneva, Switzerland)

How to define and measure the quality of training?
Götz Wietasch (Groningen, Netherlands)

History of anaesthesia

Chair:
David Wilkinson (Bishops Stortford, United Kingdom)

The evolution of Swiss anaesthesia; so different from the Federal Republic of Germany
Petermann Heike (Munster, Germany)

Great Swiss scientific presentations
Jean-François Pittet (Birmingham, United States)

The rise and fall of European anaesthesia societies
David Wilkinson (Bishops Stortford, United Kingdom)
### Procedural sedation in adult (PSA): ESA guidelines

**Chair:** Thomas Fuchs-Buder (Nancy, France)

- The procedural sedation affair
  Edoardo De Robertis (Naples, Italy)

- ESA guidelines on PSA: competences required
  Massimo Lamperti (Abu Dhabi, United Arab Emirates)

- ESA recommendations on PSA
  Jochen Hinkelbein (Köln, Germany)

### Trainees for Trainees - Symposium organised by the ESA Trainee Network (ESA TN)

**Chair:** Daniela Filipescu (Bucharest, Romania)

- Challenges in perioperative care of high risk surgical patients
  Bernardo Bollen Pinto (Geneva, Switzerland)

- Pulse contour continuous cardiac output, vigileo and company! Or can I just also have a look on the patient and use other parameters?
  Müller-Muttonen Steve-Oliver (Klagenfurt, Austria)

- The values of focused assessment transthoracic echo in the emergency setting
  Benjamin Greatorex (Bristol, United Kingdom)

### Networking with the experts on regional anaesthesia - Symposium organised by the ESA Trainee Network (ESA TN)

**Chair:** Gabriella Iohom (Cork, Ireland)

- Regional anaesthesia in the trauma patient
  Matthias Desmet (Kortrijk, Belgium)

- Regional anaesthesia in the high risk patient
  José Alejandro Aguirre (Zurich, Switzerland)

- Complications after regional anaesthesia
  Eric Albrecht (Lausanne, Switzerland)
An innovative approach to the airways
Symposium organised by the National Organising Committee (NOC)

Intubation or oxygenation? Do both!
Lorenz Theiler (Bern, Switzerland)

Is technology the answer to airway management?
Patrick Schoettker (Lausanne, Switzerland)

Learn or die: resource management in difficult airway
Mark Stacey (Cardiff, United Kingdom)

Individualised risk assessment and postoperative complications
Symposium organised by the National Organising Committee (NOC)

Improved prediction with validated scores
Bernhard Walder (Geneva, Switzerland)

Cardiac risk for the non-cardiac surgery patient
Miodrag Filipovic (St. Gallen, Switzerland)

Treatment of postoperative respiratory complications without mechanical ventilation
Hans Ulrich Rothen (Bern, Switzerland)

ESA Research Grant Programme

Chair:
Alexander Zarbock (Münster, Germany)

Evaluation-impact of the ESA research grant programme
Alexander Zarbock (Münster, Germany)

EUSOS: summary of results after 6 years
Wolfgang F. Buhre (Maastricht, Netherlands)

How to apply for grant
Donal J. Buggy (Dublin, Ireland)

ESA CTN research in action: results and challenges in current projects

Chair:
Wolfgang F. Buhre (Maastricht, Netherlands)

PROBESE: Protective ventilation with higher versus lower positive end-expiratory pressure during general anaesthesia for surgery in OBESE patients – Randomised controlled trial
Marcelo Gama de Abreu (Dresden, Germany)

NECTARINE NEonate – Children sSTudy of Anaesthesia pRactice IN Europe – Observational trial
Nicola Disma (Genova, Italy)

EpiMAP European Practices in the Management of Accidental Dural Puncture in Obstetrics – Observational trial
Anil Gupta (Örebro, Sweden)
Perioperative medicine in Europe: do we all within the ESA have the same definition?
Symposium organised by the National Anaesthesiologists Societies Committee (NASC)

Chairs:
Dan Longrois (Paris, France)
Stefan De Hert (Ghent, Belgium)

What is perioperative medicine?
Francis Bonnet (Paris, France)

The ASA experience with perioperative medicine: what could be shared with the ESA?
Beverly K. Philip (Boston, United States)

The challenges of implementing/financing perioperative medicine in Europe
Dorel Sandesc (Timisoara, Romania)

Meet the Editors-in-Chief
Symposium organised by the European Journal of Anaesthesiology (EJA)

Chair:
Martin Tramèr (Geneva, Switzerland)

Six short presentations about editing-related issues, delivered by editors-in-chief of anaesthesia journals

Big data - big trials
Symposium organised by the European Journal of Anaesthesiology (EJA)

Chair:
Martin Tramèr (Geneva, Switzerland)

Speaker
Paul Myles (Melbourne, Australia)

Discussion

Paediatric anaesthesia in Europe: the APRICOT study

Chair:
Walid Habre (Geneva, Switzerland)

Epidemiologic data on paediatric anaesthesia practice in Europe
Nicola Disma (Genova, Italy)

Major outcomes and primary results
Francis Veyckemans (Brussels, Belgium)

What did we learn and what can we do to improve
Walid Habre (Geneva, Switzerland)
Young Teaching Recognition Award past winners giving refresher courses

A hint of fear - the obstetric airway
Petramay Cortis (Msida, Malta)

Regional analgesia techniques for post-operative pain control of non-cosmetic and cosmetic breast surgeries
Salviz Emine Aysu (Istanbul, Turkey)

Widening access to anaesthesia
Samina Chowdhury (Bradford, United Kingdom)

Patient Blood Management
Dania Fischer (Frankfurt, Germany)

Definitions and criteria for postoperative cognitive dysfunction and other perioperative cognitive disorders

Chair:
Federico Bilotta (Rome, Italy)

Nomenclature for postoperative cognitive disorders
Rod Eckenhoff (Philadelphia, United States)

Postoperative delirium in the elderly: we need to improve perioperative care
Mark Coburn (Aachen, Germany)

Long-term consequences and possible mechanisms of perioperative cognitive disorders
Lis Evered (Melbourne, Australia)

Sir Robert Macintosh Lecture

Chair:
Zeev Goldik (Haifa, Israel)

Perioperative medicine
Monty Mythen (London, United Kingdom)

Hot Topics in Anaesthesiology - Last 12 months’ top publications

Chair:
Charles-Marc Samama (Paris, France)

Speaker
Andreas Hoeft (Bonn, Germany)

Hot Topics in Intensive Care Medicine - Last 12 months’ top publications
Hot Topics in Pain Medicine - Last 12 months’ top publications

Chair: Marco Abraham Marcus (Doha, Qatar)

Acute and post-operative pain
Esther Pogatzki-Zahn (Muenster, Germany)

Chronic pain and palliative medicine
Jan Van Zundert (Genk, Belgium)

Hot Topics in Critical Emergency Medicine - Last 12 months´ top publications

Chair: Karl-Christian Thies (Birmingham, United Kingdom)

Speaker
Torben Wisborg (Tromsoe, Norway)

Mobile health systems, what they have to offer and how they will affect medical practice
Lecture organised by the National Organising Committee (NOC)

Speaker
Walter Karlen (Zurich, Switzerland)

Best Abstract Prize Competition (BACP)

Chair: Charles Marc Samama (Paris, France)

Young Teaching Recognition Award

Chairs:
Dan Longrois (France)
Andreas Sandner-Kiesling (Austria)
